Happy Holidays from Everyone at MOKA!

Especially at this time of year we are filled with gratitude to you and everyone who supports our mission at MOKA. We are particularly appreciative of the children and adults with autism and other disabilities and their families we are privileged to support and who trust us to provide critical services. We wish you and your family a joyful holiday and every success in the New Year.

Carols, Cookies & Cheer

MOKA's City on a Hill Office in Zeeland celebrated the Holiday season with a party. Individuals from MOKA's Community Supports Programming and Residential homes gathered together to sing carols, decorate cookies, and dance.

City on a Hill is a collaborative space which rents out office spaces to ministries and non-profits. Gary Ellens, City on a Hill's Director, stopped by the party and spoke about how much he enjoyed this event and having MOKA as a part of the City on a Hill community.

The event also featured a sock tree, supporting our neighbors at City on Hill, Atlas Ministries. Atlas Ministries helps people with financial, relational, and spiritual struggles. The sock tree is just one way MOKA's programming gives back to the community.
