

## STAYING ENGAGED AT HOME

moka 

Dear MOKA Supporter,

MOKA is proud to be a member of our local communities and to be able to offer community-based programming for all of the individuals we serve. We enjoy volunteering, going to parks and malls, visiting zoos, libraries and local museums. Just like for many of you, the pandemic response measures have been very difficult on the individuals we serve, as they have been unable to do many of the activities they enjoy or see the people they are used to seeing. While many individuals have enjoyed Zoom, Skype or FaceTime with their loved ones, it's just not the same as an in-person visit with family or friends. We are thankful to our Residential Teams who have shown great creativity and dedication to engaging individuals in unique ways while sheltering in place. We hope you enjoy the below photos that showcase a few ways we have stayed connected during this time.

We also remain grateful to those who adopted a home through MOKA's Adopt a Home program! Your gifts and notes have helped bring community into our homes.

## Community Supports has gone Virtual

We are now providing telehealth services for Community Living Supports, Skill Building and Supported Employment. Telehealth allows us to continue to support individuals during the COVID-19 public health crisis. Through telehealth, a MOKA staff member and an individual served can communicate by telephone, computer or tablet to provide services to support the individual's person-centered plan.

Our focus is helping individuals to learn skills; stay engaged with others and support individuals to become gainfully employed. Our goals in connecting with individuals virtually include, but are not limited to providing positive experiences through meaningful engagement, sharing resources, teaching skills, and decreasing loneliness.

---

## Ways to Continue Supporting MOKA.

- Follow us on Facebook, LinkedIn, Instagram, and Twitter. Share our posts and help spread the word about MOKA, the amazing individuals we support, and our incredible employees.
- Do you know a family member or friend looking for a job? MOKA is hiring! Apply online at [moka.org/careers](https://moka.org/careers). We are hiring for Residential Support Staff to provide essential services to individuals living in our group homes.
- Make a [donation](#) to support our work. We have experienced an increase in our costs for supplies, food costs due to added delivery, and many other unexpected consequences of managing through this disruption. If you are fortunate and your employment hasn't been affected during this time, please consider making a donation.

We are so grateful for you. Your support has been unwavering and we have felt loved, appreciated and connected.

MOKA remains committed to providing quality care to the individuals we are blessed to serve. We remain dedicated to our mission of over 40 years, to create opportunities for independence and acceptance in our communities by supporting children and adults with developmental and intellectual disabilities. Thank you for your support.

Sincerely,

Tracey Hamlet

Executive Director
