

Dear MOKA Supporter,

One of my favorite words to describe our work at MOKA is “community”. We are proud to serve the community, provide community-based programming, volunteer in our community, and be an integral part of the community. The pandemic has altered how MOKA supports the community, but it has not dampened our commitment to serving the community. This is where we need your help.

There is no better time to unite. As a key community member who supports MOKA, you can support the individuals served by MOKA as we navigate the necessary service changes. Today, I invite you to make a gift to a project that truly touches your heart.

- **Telehealth Programming, kick-started with a grant from Farmers Insurance:** MOKA needs additional funding to expand access to Telehealth for people with intellectual and developmental disabilities who remain isolated from their community due to COVID-19. Your gift will purchase tablets necessary for individuals to receive services virtually as well as enable people to reconnect to their community of friends. Support this program by clicking [here](#).
- **The Diabetes Prevention Program, with a lead gift from The Wege Foundation:** MOKA is on the cutting edge of diabetes prevention for individuals with intellectual and developmental disabilities who live in residential settings. These individuals are 13% more likely to be diagnosed with diabetes. Additional funding is needed to support this education-focused program for all four counties MOKA serves. The health education will have a long-term positive health impact on individuals served. In addition, by preventing diabetes before it begins, the entire community will benefit by reducing costs on our healthcare system. Donate to the Diabetes Prevention Program [here](#).

- **The Empowerment Fund: MOKA Foundation's mini-grant program:** This fund provides opportunities to individuals to be more active participants in their communities, by empowering individuals through mini-grants. Challenges presented by our current pandemic have amplified the need for more support to engage in community. Empower lives with a gift to the Empowerment Fund [here](#).

To make a donation to support one of these amazing needs, please click [here](#).

### MOKA's Impact on our Community

MOKA is proud to present this update on our impact to you, our stakeholders. We continuously evaluate our programs and outcomes to ensure that we provide quality

programs. To see more about MOKA's impact and an update on MOKA's 2018-2021 Strategic Direction, please check out our website by clicking [here](#).

## Ways to Continue Supporting MOKA.

- Follow us on Facebook, LinkedIn, Instagram, and Twitter. Share our posts and help spread the word about MOKA, the amazing individuals we support, and our incredible employees.
- Do you know a family member or friend looking for a job? MOKA is hiring! Apply online at [moka.org/careers](http://moka.org/careers). We are hiring for Residential Support Staff to provide essential services to individuals living in our group homes.
- Make a [donation](#) to support our work. We have experienced an increase in our costs for supplies, food costs due to added delivery, and many other unexpected consequences of managing through this disruption. If you are fortunate and your employment hasn't been affected during this time, please consider making a donation.

We are so grateful for you. Your support has been unwavering and we have felt loved, appreciated and connected.

MOKA remains committed to providing quality care to the individuals we are blessed to serve. We remain dedicated to our mission of over 40 years, to create opportunities for independence and acceptance in our communities by supporting children and adults with developmental and intellectual disabilities. Thank you for your support.

Sincerely,

Tracey Hamlet  
Executive Director
