THANK YOU COMMUNITY FOUNDATION
FOR MUSKEGON COUNTY!

GET OUT THE VOTE GRANT

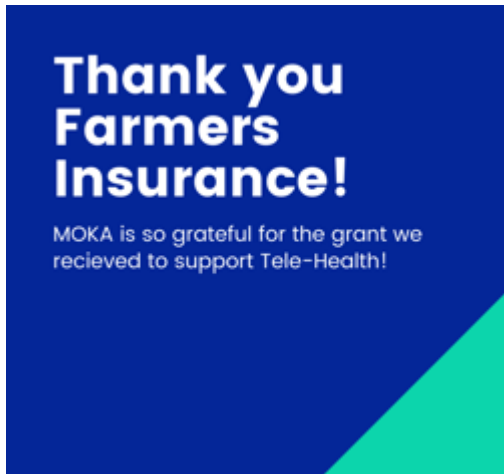

*Supporting individuals with intellectual and
developmental disabilities to exercise their right to
vote!*

Thank you Community Foundation for Muskegon County!

MOKA is proud to partner with the Community Foundation for Muskegon County to help individuals with intellectual and developmental disabilities exercise their right to vote. There are several common barriers for many individuals with disabilities to voting, including but not limited to: having proof of residency if they don't have state issued identification, transportation to polling locations, knowing how to mark their ballot if they can't sign their own name. The grant supports MOKA employees to work with individuals to overcome these difficulties so they can participate in this important political process.

Census completion is also an important civic responsibility. Federal funding equates to approximately \$2,000 per person. An accurate count will ensure our counties can keep important programs like substance abuse prevention, school lunches, housing assistance, and Medicaid/Medicare. Check out census2020.gov and get counted!

Thank you Farmers Insurance!

MOKA is grateful for the support we received from the Farmers Insurance Grant. We were able to purchase tablets to support telehealth; this has enabled individuals and employees to participate in services they were previously unable to due to the pandemic and also served as a way to decrease loneliness for those individuals unable to leave their homes. Our focus will continue to be helping individuals to learn skills, stay engaged with others and reach their goals.

Face Masks, Neck Gaiters and more!

Check out MOKA's new apparel; face masks and neck gaiters were recently launched. 20% of every apparel purchase supports the MOKA Foundation.

To purchase MOKA's apparel, please visit our website by clicking [here](#).
