

## New Year - Renewed Hope!

Thank you for your incredible community support last year through our "Adopt a Home" program, much-needed supply donations, your many kind and encouraging words, your legislative advocacy for increased direct support wages, your support for MOKA's Care of the Caregiver program, and your ongoing financial support. Amidst the challenges we all faced last year, we also learned how much our community truly cares.

We are looking forward, including planning for vaccinations. We cannot wait to connect with you in person as our community gradually opens up.

Thank you!

A handwritten signature in black ink, appearing to read "Angela".
